

Partial Loss Event Privilege.

Volkswagen Protection Plus®
Vehicle Loss Privilege Program

DID YOU KNOW?

If you have a fender-bender and your vehicle is repaired, you could have a damage record on your vehicle's history report. In many cases a damage declaration can decrease the resale value of your vehicle.

WE CAN ASSIST

The Partial Loss Event Privilege provides an in-store loyalty discount towards a replacement vehicle at the time of purchase should you have a damage declaration record on your vehicle's history report.

THE STATISTICS³

- Annually, more than 240,000 vehicles in Canada claim collision damages
- The average repair bill for a collision is over \$5,700, which often results in a damage record, accelerating the depreciation of your vehicle
