

2019 Jetta GLI Buyer's Guide

For drivers only.

Jetta GLI in Tornado Red

Jetta GLI top features

228 HP turbocharged engine

Experience serious get-up-and-go with 228 horsepower and 258 lb-ft of torque. Because when it comes to performance, you can't fake the thrill of the drive.*

Sport suspension

The Jetta GLI's lowered sport-tuned suspension, featuring performance front and rear sway bars and fully independent rear suspension, makes easy work of tight corners.

GLI styling

Get set to turn heads and be the envy of every driver on the road. From the GLI's aerodynamic styling, to its enlarged red brakes and subtle yet sporty rear lip spoiler, the Jetta GLI strikes one serious pose.

Dynamic Chassis Control

Switch between three distinct driver modes at the touch of a button. Better still, the system's electronically adjustable dampers allow it to react in real time to changing road conditions.

Mechanical limited-slip differential

The mechanical limited-slip differential automatically adjusts torque between the front wheels for precise cornering. Point the steering wheel to the apex, punch the gas and go.*

*Please drive safely and obey all traffic laws, including speed limits.

Jetta GLI in Tornado Red

You might run out of road

Sheer power meets style in the revved-up Jetta GLI performance sedan. Built for open roads and city streets, the GLI sports a mighty 228-horsepower turbocharged engine, sport suspension, Dynamic Chassis Control and mechanical limited-slip differential. Add in exclusive features and the comfort and convenience of a four-door sedan and the GLI has it all.

35th Anniversary Edition

Ready to turn heads? The Jetta GLI 35th Anniversary Edition amps up the performance sedan with extra-sporty touches including black mirrors and spoiler, red-ringed 18" alloy wheels and its own fender badge. Exclusive and limited, this is one for serious drivers.

Black exterior styling

18" Sevilla black alloy wheels

Anniversary badge
