

2019 Jetta Buyer's Guide

The urban legend.

Jetta top features

Execline trim in Silk Blue Metallic

Available ambient interior lighting

Colour is scientifically proven to affect your mood. With ambient interior lighting you can enhance the joy of every drive with 10 different colours to choose from.

LED headlights, tail lights and running lights

The 2019 Jetta is the only car in its category* with standard LED headlights and tail lights. They'll leave you beaming with joy!

Available Digital Cockpit**

The Volkswagen Digital Cockpit is an intuitive, customizable 12.3" digital display that lets you tailor your display to your distinct driving needs. You can even view your route with navigation built right in.

Available Rail 2 Rail power sunroof

When the sun is shining and the Rail 2 Rail power sunroof is open, it doesn't matter where you're going – just enjoy the drive!

Available ventilated front seats

The 2019 Jetta will keep you feeling calm and confident. The cool part? Leave that to the ventilated front seats – they've got your back, literally!

*Based on information available at the time of publication.
**Do not drive distracted. Drivers must pay full attention to the road and safe driving at all times.

Highline trim in Sage Metallic

Fully loaded

The All-New 2019 Jetta has been totally redesigned from the inside out. The turbocharged 1.4 TSI engine gives you plenty of power and boasts an impressive 5.9 L/100 km highway fuel consumption rating.* The refined interior has a ton of slick new technology, like the available BeatsAudio® sound system and standard App-Connect smartphone integration. Fasten your seat belt and get ready for the joyride of your life!

*City rating is 7.8 L/100 km. Ratings based on 2019 Jetta 1.4 TSI equipped with automatic transmission. Fuel consumption ratings are estimates based on Natural Resources Canada's (NRCAN) fuel consumption criteria and approved testing methods and are provided for comparison purposes only. Please refer to NRCAN's Fuel Consumption Guide for more information. Actual fuel consumption will vary based on driving conditions, driver habits and the vehicle's condition, weight carried and additional equipment.

The safe side

The 2019 Jetta comes loaded with a ton of standard and available features to help keep you safe behind the wheel, including standard LED headlights and tail lights, and available driver assistance features Adaptive Cruise Control with Stop & Go, Blind Spot Detection, Lane Assist and Light Assist.*

*Driver assistance features. Drivers must continue to perform manual checks and pay full attention to the road and safe driving. Please review the owner's manual for feature limitations.

Personalize your Jetta

Choose the paint, upholstery and wheels that will make your Jetta number one in your heart, and the envy of all your friends.
