

The redesigned 2022 VW Jetta

Sophisticated and fun-to-drive

German engineering has never been so attainable, thanks to the fun-to-drive 2022 Jetta. If it's excitement you're after, the new 1.5 L TSI engine provides more power and class-leading torque* with exceptional fuel economy. If tech's your thing, Jetta has it in spades with standard Volkswagen Digital Cockpit and available Wireless Apple CarPlay® and Android Auto™. Throw in ample cargo space, and refined Jetta style, and it's clear this sedan has it all.

Top Features

Exterior

Sleek, stylish, and sophisticated, the redesigned 2022 Jetta checks all the boxes. With clean lines, carefully balanced proportions, and unique design upgrades from front to back, Jetta looks good from any angle.

Interior

An intuitive interior is the first thing that greets you when you get behind the wheel. The ergonomic, driver-centric layout of the well-appointed dash ensures everything is precisely where it should be. Take a closer look and you'll see a quiet, comfortable cabin and a smart use of materials that proves there's no detail too small.

Available Car-Net® app**

Car-Net®, total peace of mind in the palm of your hand. Control select features in your Jetta with Remote Access or get the help you need when you're on the road.

Wireless Apple CarPlay® and Android Auto™***

With available Wireless Apple CarPlay® and Android Auto™, your smartphone connects seamlessly to Jetta's touchscreen display, without plugging in. Add in available Wireless Charging, and those messy, tangled cords just became a thing of the past.

Digital Cockpit

Choose between the standard VW Digital Cockpit with an 8" digital display, or the available VW Digital Cockpit Pro with a 10.25" display that you can customize with just a touch.

*Based on a comparison of torque in standard engines in other 2022 models available at the time of publication, in the compact sedan class.

**Requires compatible mobile device running iOS 12, Android 8, or higher. Access to the desktop web portal requires a compatible internet browser. Microsoft Internet Explorer is not supported. Not available on Trendline trims.

***Do not drive distracted. Drivers must pay full attention to the road and safe driving at all times.

Safety comes first

The Jetta comes equipped with a variety of features to help keep you confident behind the wheel. Hit the road with confidence, thanks to driver assistance features like Front Assist with Autonomous Emergency Braking and Pedestrian Detection† and available Blind Spot Monitor with Rear Traffic Alert.

Volkswagen Canada is not responsible for errors in typography or photography. Some features may be unavailable when your vehicle is built or available at extra cost. Although we endeavour to ensure that the information is accurate, as errors may occur from time to time, customers should contact their local Volkswagen dealer for details. Tires are supplied and warranted by their manufacturer. The vehicle is sold equipped with four all-season tires. However, please remember that the use of winter tires may be mandatory in your province or territory. Airbags are supplemental restraints only and will not deploy under all accident scenarios. Always use safety belts and seat children only in the rear seats, using restraint systems appropriate for their size and age. The navigation system depends upon signals from the GPS network and is designed to provide you with suggested routes only. Discrepancies may occur between the mapping and the actual location due to changes in street names, construction or other road system changes which are beyond the control of Volkswagen Canada. Please rely on your individual judgment in determining whether or not to follow a suggested navigation route.
