# The 2023 Jetta GLI

## Eye-catching and heart-racing

This sporty car may look sophisticated, but it isn't shy. That's because the 2023 Volkswagen Jetta GLI gives you the best of both worlds: German-engineered thrills and bold style.

With **Dynamic Chassis Control**, you can adjust suspension and steering stiffness to your perfect balance of razor-sharp handling and ultimate driving comfort, at the touch of a button. That comes in handy when the turbocharged 228-hp **2.0 TSI® engine** kicks in. While the mechanical limited-slip differential automatically adjusts the up to 258 lb-ft of torque for precise cornering, you can shift smoothly with the standard **6-Speed Manual Transmission** or the available **7-Speed DSG® Transmission**.

\*Driver assistance feature. Drivers must continue to perform manual checks and pay full attention to the road and safe driving at all times. See owner's manual for important information and feature limitations.

## Bolder, smarter, and safer

The Jetta GLI is a real treat for the eyes. Aerodynamic styling. A sporty rear lip spoiler. Striking red calipers. An exclusive sport bumper. Then, like a cherry on top, the iconic GLI Badge.

This smart-looking car also comes with some pretty smart tech. With the available Car-Net® app, you can connect to your GLI in over 20 ways to remote start your car, lock and unlock your doors, and more. All from your smartphone, from anywhere. Plus **Wireless Apple CarPlay®** and **Android Auto™** that helps keep your hands on the wheel, not on your device.

The exhilarating performance of the Jetta GLI comes without intimidation, thanks to a full suite of active safety features. Like **Front Assist with Autonomous Emergency Braking\***, which acts as an extra set of eyes, and a quicker set of brakes to help prevent accidents before they happen. Additional features like **Blind Spot Monitor with Rear Traffic Alert** and **Travel Assist** which includes **Adaptive Cruise Control** and **Lane Assist** make getting from here to there safer.

Say hi to the GLI and all the jealous stares it comes with.
