

The 2023 **VW Taos**

The 2023 VW Taos

Always game just like you

With a sleek, compact design that can easily rough it, the 2023 Taos is our most affordable and adventure-ready SUVW yet.

What kind of adventures, you ask? Any in Canada will do with the available **4MOTION® All-Wheel Drive** that makes ease of rugged terrains and weather conditions. So, whether you're off to the summer cottage or heading for the ski slopes, you don't need to worry about Canadian roads. Plus, with 5 seats and **ample cargo space** for your friends and gear, you don't need to leave anything or anyone behind.

"Expect the unexpected" is a nice way to think of adventure, but it's still a good idea to know where you're going. The standard **Digital Cockpit** with 8" digital display serves up driving info like travel time and route guidance for you at a glance. Plus, with the available 10.25" Digital Cockpit Pro, you can enjoy even more personalization options.

With the available **Car-Net®** app, you can connect to your Taos in over 20 ways to remote start your SUVW, lock and unlock your doors, and more. All from your smartphone, from anywhere. Speaking of smartphones, with standard **Apple CarPlay®** and **Android Auto™**, your iPhone® or Android™ displays directly on the screen of your Taos.**

Safe tech, smart look

The always-game Taos performance comes with an always-safe drive thanks to a full suite of active safety features. Like standard **Side Assist (Blind Spot Monitor) with Rear Traffic Alert*** and **Front Assist with Autonomous Emergency Braking*** which acts as an extra set of eyes, and a quicker set of brakes to help prevent accidents before they happen.

The available **Panoramic Sunroof** stretches the length of the cabin and lets you easily slide or tilt it open with the touch of a button. It gives the Taos an impressive view.

Get ready to go anywhere and get noticed everywhere in this bold, compact SUVW.

[†] Fuel consumption figures are estimates based on Natural Resources Canada's approved criteria and testing methods. Refer to the EnerGuide 2023 for Natural Resources Canada's estimated fuel consumption figures. Actual fuel consumption will vary based on driving conditions, driver habits and the vehicle's condition, weight carried and additional equipment.

*Features are for driver assistance. Drivers must continue to pay full attention to the road and safe driving at all times. Please see owner's manual for important information and feature limitations.

**Requires compatible mobile device running iOS 12, Android 8, or higher, with cellular service. Access to the desktop web portal requires a compatible internet browser. Microsoft Internet Explorer is not supported.

A whole lot less than you'd expect

Cost of maintenance

The Taos is built to perform now, and down the road. With a longer than-average warranty and world-class German engineering, owning and maintaining one is a lot more affordable than you think. In fact, it's among the most cost-effective vehicles to maintain in its entire segment.¹ Use the convenient third party [Vincentric cost of maintenance tool](#) at [vw.ca](#) to see for yourself.

¹Based on a comparison to other 2023 vehicles available at the time of publication.

²Up to 26% savings compared to the cost of paying for maintenance, on a per service basis. Potential savings percentage determined using the average savings amount of all model/year plans vs. the retail cost of individual services in 2022. See dealer for details.

Easy to get into Easy to maintain

Prepaid Maintenance

When compared to pay-as-you-go maintenance, VW Prepaid Maintenance isn't just better for your Volkswagen, it's better for your wallet too, with up to 26% in savings.²

On top of our 3-, 4-, and 5-year plans, we now offer a **new, comprehensive 2-year Prepaid Maintenance plan** designed to give you even more savings and peace of mind.

© 2022 Volkswagen Canada. Items, specifications, availability, standard features, options, fabrics and colours are subject to change without notice. Volkswagen Canada is not responsible for errors in typography or photography. The wheels on all trims of the 2023 Taos, except Trendline FWD, are changing mid-year – see dealer for details. Some features may be unavailable when your vehicle is built or available at extra cost. Although we endeavour to ensure that the information is accurate, as errors may occur from time to time, customers should contact their local Volkswagen dealer for details. Tires are supplied and warranted by their manufacturer. The vehicle is sold equipped with four all-season tires. However, please remember that the use of winter tires may be mandatory in your province or territory. Airbags are supplemental restraints only and will not deploy under all accident scenarios. Always use safety belts and seat children only in the rear seats, using restraint systems appropriate for their size and age. The navigation system depends upon signals from the GPS network and is designed to provide you with suggested routes only. Discrepancies may occur between the mapping and the actual location due to changes in street names, construction or other road system changes which are beyond the control of Volkswagen Canada. Please rely on your individual judgment in determining whether or not to follow a suggested navigation route.
